

BCE Vision

We are a faith-filled learning community creating a better future.

St Anthony's Vision

A school steeped in the valuing of relationships and all that it means to be a follower of Christ.

Strong Catholic identity

Goals

- By the end of 2020 teachers will be planning and teaching with a re-contextualised Catholic perspective that is integrated and embedded in Health and Science curriculum learning areas.
- By the end of 2020, staff will have developed a greater understanding of Core Scripture Texts so that they can plan and implement teaching strategies that support the Deep Learning concepts of the RE Curriculum.
- By the end of 2020, St Anthony's staff will engage with staff members from Padua College, Mt Alvernia College and Little Flower Parish to complete a Reconciliation Action Plan that supports and promotes the indigenous culture of our FOTH community.

Excellent learning and teaching

Goals

- By the end of 2020 effective and expected practices are embedded in literacy practices so that: 95% of students in Year 3-6 will meet the BCE writing target of 20-24. 95% of students in Prep-Year 2 will meet the BCE Benchmarks in reading.
- By the end of 2020 teachers are using and identifying innovative pedagogical practices that support learning progress for all students.
- By the end of 2020 90% of students will be in attendance 90% of the time.

Building a sustainable future

Goals

- By the end of 2020 provide staff with opportunities for continuous improvement and growth as an individual through the Performance and Development Process.
- By the end of 2020 the school community will work together to reduce our energy consumption, our waste and water usage by 10%
